## If you are taking part this year....

- 1.** Numbers this year are again limited to 2000 places. You will have the option of entering for 1 lap (2k) or 2 laps (4k).
- 2.** Inevitably we had to increase prices this year but we tried to keep the event affordable for young families. Please ensure you select the correct option for you when registering.
- 3.** We have some amazing partner charities this year who are organising their teams to raise much needed funds whilst having a fun day. Check our website to join them.
- 4.** With no Lincoln Christmas Market happening this year this festive event is even more important for the city.
- 5.** Thankyou once again to our generous local sponsor partners, without you we could not hold the event.
- 6.** Once you receive your runner number (by post or by collection) each runner will be able to scan the QR code on your number and register your individual details. This will also ensure you receive a personal digital certificate of completion.
