Corporate Teams:

If you cannot offer financial support this year you could consider entering your own team – we will have a selection of charities you and your staff could support.

Support Partners:

We could not run this event each year without the wonderful support of local businesses and organisations who provide us with goods and services. If you feel you can help in this way please get in touch.

Title Partner:

Please contact us if you are interested in Title Partnership. This maximises exposure for your organisation and highlights your commitment to supporting this prestigious charity event in Lincoln City. Your company/organisation name and logo will be embedded (by agreement) in the event name and logo.
